BUSLOAD OF BOOKS

SMALL GROUP SESSION PERMISSION FORM

HELLO, PARENT OR GUARDIAN OF _____ !

CONGRATULATIONS!

Your student is one of ten students who has been selected to participate in a small group conversation with children's book author Matthew Swanson and illustrator Robbi Behr (that's us!) when we visit your student's school on _____ as part of the nationwide Busload of Books project.

We will be doing assemblies about creativity and collaboration and giving every student, teacher, and administrator a free copy of one of our books.

We've asked the school to select a small group of students to join us for a conversation about writing, illustration, creativity, or anything else the kids might want to talk about.

Since your student has been chosen for this opportunity, we're writing to request your permission to 1) photograph and include your student in a social media post about our visit, and 2) potentially include your student in one of our future books.

- May we take photos of/with your student to use in tour-related social media posts or promotion, mentioning your student by first name only? ☐ **YES** ☐ **NO**

- May we potentially include your student's likeness in a future book of ours? If included, your student would only be shown in illustrated form and identified only by first name and state of residence. We might also include a short quote from your student.
  ☐ **YES** ☐ **NO**

Your student is welcome to participate in the session regardless of how you answer the above questions!

If you have any questions about this session, the book, or the project, feel free to reach out to us (Robbi and Matthew) directly at **info@busloadofbooks.com**

Please have your student bring this signed form with them to the session.
